ABOUT US

Tumba Lediima provides comprehensive solutions across multiple sectors, specializing in maintenance, repair, and installation services. Our work spans residential, commercial, and industrial spaces, where we handle everything from routine upkeep to complex installations and emergency repairs.

We also work closely with insurance companies and retailers, providing essential services to ensure their clients receive prompt and professional property repairs and maintenance. Our ability to quickly assess and address issues has made us a reliable partner in managing claims and maintaining properties to the highest standards. Whether it's assisting with post-incident repairs or fulfilling scheduled maintenance, we ensure that both businesses and their customers benefit from our skilled and trusted solutions.

OUR CORE PILLARS

INDUSTRY ACCREDITATION

Our commitment to excellence is reflected in our certifications and industry registrations, which ensure that we adhere to the highest standards of quality and safety.

RELIABILITY

We pride ourselves on our dependability and consistency. Clients can trust us to deliver on our promises, whether it's responding promptly to service requests or ensuring high-quality workmanship.

TRUST

We have earned the trust of our clients through transparency, integrity, and exceptional service delivery. By fostering strong relationships and open communication, we ensure that our clients feel confident in.

OUR TEAM

Our success is driven by a dedicated team of professionals who bring expertise and passion to everything they do. We believe in investing in our people, ensuring they have the skills and knowledge to meet the evolving needs of our clients. From skilled tradespeople to customer service representatives, each member of the Tumba Lediima team is committed to providing outstanding service and solutions tailored to our clients' specific needs.

ACCREDITATION AND CERTIFICATION

As a company committed to excellence, Tumba Lediima accredited by:

PIRB (Plumbing Industry
Registration Board) compliant.

Fully compliant with the Liquefied
Petroleum Gas Association of South
Africa standards and safety regulations.

In addition to accreditation from above institutions, our artisans are also certified in leak detection.

LEAK DETECTION SOLUTIONS

- **High-precision Thermal Scanning**
- **Acoustic Scanning**
- **Tracer Gas Scanning**

This allows us to accurately isolate leaks without unnecessary property damage. Our non-invasive diagnostic methodology combines multi-frequency ultrasound, infrared surface temperature mapping, and non-toxic tracer gas injection.

PLUMBING SOLUTIONS

- **Burst Pipe Repairs**

Emergency shut-offs, precision cutouts, and rapid pipe replacements with minimal property damage.

- **Geyser Installations**

SANS 10254 compliant repairs and replacements for electric, gas, and solar units.

- **Fixture Fitting**

Installation and upgrades for taps, toilets, basins, and showers.

- **Valves & Pressure Control**

Servicing and installation of pressure-reducing valves (PRVs) and safety valves.

HEATING AND COOLING SOLUTIONS

- **Heat Pumps**

Installation and maintenance of heat pumps for efficient heating and cooling of spaces.

- **Solar Geysers**

Installation and upkeep of solar geysers, harnessing renewable energy for cost-effective water heating.

- **Electrical Geysers**

Comprehensive installation and maintenance of electrical geysers for reliable hot water supply.

GAS SOLUTIONS

- **Gas Geysers**

Safe installation, maintenance, and line connections for energy-efficient hot water systems.

- **Gas Heaters**

Professional fitting, inspection, and servicing of indoor and space heating units.

- **Gas Stoves & Hobs**

Certified installation and safety testing for residential gas cooking appliances.
